What is a Compact?

This compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

A COMPACT IS JOINTLY DEVELOPED: Eton Elementary parents, students, and staff developed this School-Parent Compact for Achievement. Teachers suggested home-learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on needs. Parents are welcome to contribute comments at any time.

MURRAY COUNTY GOALS

- K-12 students will meet or exceed grade-level reading goals each academic year.
- Decrease the percentage of students missing six days or more from 44% in 2016 to 40% by 2022.

SCHOOL GOALS

Eton Elementary is also committed to increasing student literacy. Our goal is for our students to become literate adults who have the ability, confidence and willingness to engage with language to acquire, construct and communicate meaning in all aspects of daily living.

FIRST GRADE GOALS

First Grade will focus their teacher/student/family goal on increasing reading fluency through phoneme segmentation and decoding skills (how to effectively sound out words and determine their meaning). Fluency is the ability to read with speed, accuracy, and proper expression. In order to understand what they read, children must be able to read fluently whether they are reading aloud or silently.

SCHOOL RESPONSIBILITIES

The teacher will send home weekly fluency passages for the student to practice with their family.

STUDENT RESPONSIBILITIES

The Student will bring home their passages, read them with their family, and return the signed passage to their teacher.

FAMILY RESPONSIBILITY

Families will read the fluency passage with their students and initial when it is completed
